WMHC
Mount Holyoke College
South Hadly, Mass.

The following is a copy of the charges quoted us for the two alternate methods of running the network line from WAMF to WMHC. The prices shown are for a one-way line, as decided earlier.

1. Local channel-Holyoke Central office to Mount Holyoke College 16/4 miles. $22.25
   Holyoke Central Office to Northampton Central Office 9 miles. $36.00
   Local Channel-Northampton Central Office to WCSR Smith College 1/4 mile . . . . . $ 3.50

   TOTAL $61.75

2. Local channel-Holyoke Central Office to Mount Holyoke College 16/4 miles. $22.25
   Holyoke central Office to Amherst Central Office 13 miles. $52.00
   Local channel-Amherst Central Office to WAMF Amherst College 5/4 miles. . . . . $ 8.50

   TOTAL $82.75

These charges are by the month, and as can be seen the cost is $21.00 less if the line is tied in to the existing network line at WCSR. This is to be strongly recommended, as it will not make and difference in the opperation of the system.

Sincerely yours,

George W. Kidder

George W. Kidder
Chief Engineer, WAMF
